Born and raised in Monte-Carlo, he grew up in nightlife of the famous "Cote d'Azur" (South of France), and built a remarkable experience in luxury clubs and venues, with many gigs from France to US, and from South Africa to Dubaï. Now based in this metropolitan middle-east city, MAGA is one of UAE's prominent artist, also Resident DJ of the newest and trendiest club-restaurant: 'Cle Dubai', where he makes celebrities dance on Deep-House beats.

Thanks to his ground (and underground) experience, Maga delights people with House music and his inventive sets, remixing tracks live and playing live his own productions.
